If experts or speakers are to participate in an activity, the fees they are paid may not exceed €200 per expert and day and the allowances they are paid may not exceed the amounts fixed for IOC officials in the Guide to Missions published on the IOC website (www.InternationalCallow.org) if the applicant wishes to receive grant funding from the IOC.

In the case of grant applications for courses and seminars, grant funding may be requested from the IOC for the expenses of speakers but not of participants.
